

AHCC Zero Friction Cycling Hill Climb Series 2021

How it all works.....

Two graded Hill Climb Time Trial events – enter one or both!

- Saturday 10 July: Round 1: Kennels to top of Blackburn.
- Saturday 24 July: Round 2: Montacute Rd – Maryvale Rd to Marble Hill.

First rider off at 9 am. Fastest grade first, then working down through the grades.

Head down, bum up, ride like crazy.

What bike can I use? Needs to be a road bike but this can be a TT bike if you like.

Can I aero up? Yes, no problem.

What grades will there be? 'A' through to 'F' – we'll have a spot for everyone.

And the prizes?

- Prizes for each round will be awarded at the finish as each grade completes (1st, 2nd and 3rd plus 1st, 2nd and 3rd female, in each grade).
- ZFC prizes for the overall winners across both rounds in each grade will be given out at the club's next road race (1 August).

Who can come?

- Anyone who has an AusCycling All Disciplines license, or is coming using the AusCycling 4-week trial license.
- It's open to AusCycling 'seniors' (aged 19 and over) or U19 riders who are able to ride in seniors events.

Entries through Entry Boss (includes links to the course maps, start and finish points etc): <https://entryboss.cc/calendar/ahcc>
