

ADX DEPOT TOG LATEST INFORMATION

COSING DATE FOR ENTRIES: 9pm Friday 8th February 2019

PUBLICATION OF TEAMS: Monday, 11th February 2019

INDIVIDUAL ENTRIES:

Riders can race in the Divisions as individuals. In the TT they will start together in groups of 3-5 riders. They can draft off riders in the same start group. In effect this group can race as a team in order to be equitable with riders in the team's competition. There is, however, no compunction for individuals to remain within the group as they are only racing for an individual time. Each rider will be given their individual time.

Prize money for Stage 1, the TT, is for team's placings only. Individual riders will be eligible for individual awards in Stages 2, 3 and 4 as well as for the overall individual placings.

F GRADE: There will be an F Grade for individual riders of that standard.
